2022 Estate Chardonnay

WINE ENTHUSIAST

"This estate-grown, entry level bottling is a very wise choice in this vintage, as the wine offers classic aromas of sea salt, lemon peel and citrus pith on the tense nose. The palate is very textural with a pithy grip, framing rounded flavors of nectarine and Meyer lemon."

"From the cool climate, Talley Vineyards in the SLO Coast is a sterling example of saline minerality and finely etched citrus fruits that true coastal regions can produce—aromatics of grilled lemon, sea air, petrichor, and crushed slate. The palate is linear, with intense Meyer lemon pulp, flinty lime peel, and tangy grilled pineapple flesh—gorgeous intensity."

"A total knockout. Bold, punchy and immediate, the 2022 is absolutely irresistible. A rush of ripe apricot, pear, white flowers, spice and chamomile makes a strong first impression. Creamy and layered with striking persistence, this is a total delight."

"A mellow, ripe but balanced wine that's super smooth, fresh and lingering in the finish. Medium-bodied with good acidity and subtle baked apples, lemon zest, toast and minerals."

2022 Estate Pinot Noir

JEB DUNNUCK

"A solid step up, the 2022 Pinot Noir Estate is more spicy and complex, with savory redcurrant and cherry fruit as well as lots of spice, dried herbs, and underbrush nuances. It's balanced, medium-bodied, has fine tannins, and a beautiful finish."

"A beautiful bright ruby from Talley's estate vineyards, this Pinot Noir is a delicious melange of ripe red berries and savoury dried herbs.—aomas of smoky rose petals and gravelly dust compliment a dried strawberry leather character. The palate shows bright red berry flavours, spicy and savoury elements of chicory root and mouthfuls of flowery lavender character."

"Cranberry and raspberry aromas meet with wild herbs on the tart nose of this appellation cuvée. The palate is tense, bright and snappy, offering brisk pomegranate flavors that are warmed up by star anise and light clove."

"A rather lighter style of pinot noir but with ample aroma and flavor complexity. Black tea, cinnamon, savory herbs and a touch of vanilla on the nose, then raspberries, red cherries and cedar on the palate. Medium bodied, vegan and sustainable."

2022 Rosemary's Chardonnay

JEB DUNNUCK

"The 2022 Rosemary's Chardonnay saw 14 months in 30% new French oak. It's a slightly more savory, masculine styled effort that has both citrus and stone fruits, lots of crushed stone minerality, honeyed white flowers, blanched almonds, and subtle spicy oak aromas and flavors. It has rock-solid concentration, bright yet integrated acidity, and a gorgeous finish. It's up with the finest Chardonnay in the vintage."

"A stunningly beautiful Chardonnay, the Rosemary's is from the coolest site. Planted in 1987 to complement the Pinot Noir planted across the estate driveway. Within three to five years, this wine will become ethereal. Beguiling aromatics of lemon verbena, English hawthorn and concentrated grilled fleshy pineapple with a kiss of herbaceous wild tarragon."

"The 2022 Chardonnay from Rosemary's Vineyard is another gorgeous Chardonnay from Brian Talley and his team. Complex and multi-dimensional, the Rosemary's is wonderfully dynamic from start to finish. I especially admire its complex, multi-dimensional personality."

"A generous, plush, delicious wine with ample baked-fruit flavors and spicy vanilla bean accents. Medium-bodied with energizing acidity and a lingering finish. Estate grown on the Talley family's original vineyard site."

2022 Rosemary's Pinot Noir

JEB DUNNUCK

"The 2022 Pinot Noir Rosemary's Vineyard is the most mineral-laced and savory, with savory raspberries, dried strawberries, crushed stone, and floral, spicy aromas and flavors. Brought up in 39% new barrels, it's medium to full-bodied, has a pure, graceful texture, ripe tannins, and a great finish. It will benefit from just a year in bottle and drink beautifully for a decade."

"Elegance is the throughline of Talley Vineyards' winemaker Eric Johnson and his formidable wines. This wine has a duskier side but is still so lifted and elegant—aromas of smoky violets, dried orange peels and a petrichor mineral tone. The palate is lush but bright, balancing the darker elements of the thicker-skinned Pinot Noir with the expected elegance and freshness of the wines from Talley Vineyards."

"Rich aromas of toasted nuts and wood spice pair with baked plum and light game on the nose of this single-vineyard expression. The palate shows a slightly gamy touch as well, with flavors of sagebrush, berry and plum rising into a peppery finish."

"Especially smooth, rounded and melted in texture, this gorgeous wine is steeped in red and black fruit on a full body. Great choice when you want a luxurious mouth-filling wine that remains well-balanced by good acidity and moderate tannins. Keeps opening up in the glass, making you want to keep sipping."
