Estate Pinot Noir

SAN LUIS OBISPO COAST

About the vineyards and vintage

Our signature red wine, the Estate Pinot Noir is crafted from our iconic vineyards on the San Luis Obispo Coast. The inaugural 1986 vintage was the first Pinot Noir that demonstrated the world class potential of the variety in the area. The 2022 growing season presented mild conditions with early budbreak. Despite below-average rainfall, ideal weather from April to July fostered healthy vine growth. The wines of 2022 reflect the excellent growing conditions and low yields of the season and are reminiscent of the wines produced in 2019 and 2016.

Accolades:

93 pts "A beautiful bright ruby from Talley's estate vineyards, this Pinot Noir is a delicious melange of ripe red berries and savoury dried herbs—aromas of smoky rose petals and gravelly dust compliment a dried strawberry leather character."
- Clive Pursehouse, Decanter

92 pts "A rather lighter style of pinot noir but with ample aroma and flavor complexity. Black tea, cinnamon, savory herbs and a touch of vanilla on the nose, then raspberries, red cherries and cedar on the palate. Medium bodied, vegan and sustainable."
- James Suckling

91 pts "Cranberry and raspberry aromas meet with wild herbs on the tart nose of this appellation cuvée. The palate is tense, bright and snappy, offering brisk pomegranate flavors that are warmed up by star anise and light clove."
- Matt Kettmann, Wine Enthusiast

91 pts "A solid step up, the 2022 Pinot Noir Estate is more spicy and complex, with savory recurrent and cherry fruit as well as lots of spice, dried herbs, and underbrush nuances. It's balanced, medium-bodied, has fine tannins, and a beautiful finish."
- Antonio Galloni, Vinous
