## Rosemary's Chardonnay

ARROYO GRANDE VALLEY

### About Rosemary's Vineyard

Overlooking the Pacific Ocean and surrounding Rosemary Talley's home, Rosemary's Vineyard is climatically the coolest vineyard owned and farmed by the Talley Family. The 2022 growing season presented mild conditions with early budbreak. Despite below-average rainfall, ideal weather from April to July fostered healthy vine growth. The wines of 2022 reflect the excellent growing conditions and low yields of the season and are reminiscent of the wines produced in 2019 and 2016.

### Accolades:

**96** pts

"The 2022 Rosemary's Chardonnay saw 14 months in 30% new French oak. It's a slightly more savory, masculine styled effort that has both citrus and stone fruits, lots of crushed stone minerality... It has rock-solid concentration, bright yet integrated acidity, and a gorgeous finish. It's up with the finest Chardonnay in the vintage."

- Jeb Dunnuck

**95** pts

"The 2022 Chardonnay from Rosemary's Vineyard is another gorgeous Chardonnay from Brian Talley and his team. Complex and multi-dimensional, the Rosemary's is wonderfully dynamic from start to finish. I especially admire its complex, multi-dimensional personality"

- Antonio Galloni, Vinous

**95** pts

"Cranberry and raspberry aromas meet with wild herbs on the tart nose of this appellation cuvée. The palate is tense, bright and snappy, offering brisk pomegranate flavors that are warmed up by star anise and light clove."

- Clive Pursehouse, Decanter

**94** pts

"A generous, plush, delicious wine with ample baked-fruit flavors and spicy vanilla bean accents. Medium-bodied with energizing acidity and a lingering finish. Estate grown on the Talley family's original vineyard site."

- James Suckling
